RE: Application # 10/081,846

Dear Julian W. Woo:

After waiting 3 years for someone to examine my patent application for a device that would obviate infection after a corneal transplant, the FIRST communication I get is an ABANDONMENT notice (enclosed).

There is some reference to a failure to comply to a letter dated 02/February, 2005. Where did you send this alleged letter? I have never seen it.

Whosoever is at fault here is not important. I hereby request a copy of the alleged letter and a time extension to comply with it's demands.

Thank you,

  
Bernard A. Nadel
